

Garbage Sorting and Disposal in Soo City(English Ver)

Burnable waste		Kitchen waste, paper products, clothing, shoes, plants and flowers, fallen leaves, branches and twigs, diapers, etc.			
		● Please dispose of items without wrapping them in paper or other materials so that sorting can be verified. ● Please drain excess water from kitchen waste before disposal. ● Please remove solid waste from diapers before disposal. ● Please dispose of futons and blankets as oversized waste.			
Non-combustible waste		Glass, ceramics, bags, umbrellas, rubber hoses, lighters, etc.			
		● Please dispose of items that do not fit in the bag as "oversized waste." ● Please wrap broken items in paper before disposal. ● Do not include batteries, as they can cause fires.			
Recyclable waste (please separate the items before disposal).					
Plastic packaging (with the plastic recycling mark)		Plastic products (without the plastic recycling mark)		Aluminum cans, steel cans	Plastic bottle
					
Bottles, caps, cups and packs, tubes, bags/labels/wraps, trays, cushioning materials, etc.		Washbasins, toothbrushes, straws, plastic food containers, planters, plastic toys, clear folders, etc.			
Please wipe or wash off any food scraps or grease, let it dry, and then dispose of it.		Please remove any dirt before disposal. Please dispose of this separately from plastic containers and packaging.		Rinse the inside with water and discard without crushing it. Please remove the cap and label.	
Used small home appliances		metals		Spray can	
					
Please remove the batteries before discarding.		This applies to items made of at least 80% metal. Please wrap the blade in paper before discarding it.		Be sure to use up the contents completely, then puncture the container outdoors in a well-ventilated area before disposal.	
				Brown bottles Clear bottles Other bottles	
					
				Fluorescent lamps Dry cell batteries	
					
				You can also dispose of portable batteries.	
paper		Please tie each type together with string before disposing of them. Books and magazines, flyers, newspapers, paper cartons, and cardboard.			
Used cooking oil		Please remove any impurities and dispose of the contents in the designated container. Industrial waste oil and similar materials cannot be disposed of here.			

Precautions for disposal

Soo City conducts separate collection for "burnable waste," "non-burnable waste," and "recyclable waste."

[Soo City Waste Collection Points]

Neighborhood association waste collection points are managed by the respective neighborhood associations.

Please write your name on the city-designated garbage bag and dispose of it at the collection point by 8:00 AM.

Industrial waste is not collected.

City-designated garbage bags can be purchased at supermarkets, drugstores, convenience stores, etc., within Soo City.

Please check with the neighborhood association president regarding the collection day.
